

# Me2 Project

## Family Sign Language Courses

As part of a pilot project, funded by West Norfolk Partnership, West Norfolk Deaf Association are providing free family sign language courses for the extended families and friends of Deaf Children.

The Curriculum will be child focused and will deliver relevant and useful sign language for families and friends. This includes grandparents, aunts, uncles, cousins, neighbours, friends, and those who come into contact with deaf children. All ages and abilities are welcome!

The courses will be held at the Deaf Centre in Kings Lynn on a weekly basis, for a ten week period. Each session will last one hour.

If you would be interested in attending weekly family sign language courses, please contact us to let us know which days and times would be most convenient to you.
