

Me2 Project Teach the Teachers

Are you a Swimming instructor, a Scout or Guides leader ? Maybe you are a children's football coach or a ballet teacher?

How would you communicate with a deaf child who may want to join your group?

As part of a pilot project funded by West Norfolk Partnership , West Norfolk Deaf Association are able to provide you with basic deaf awareness and British Sign Language skills.

This free short course will provide you with language appropriate training for your particular sport or group activity, enabling you to communicate on a basic level with any deaf child in your group.
